All – As noted in the video conference earlier today, I will send the Monthly Content Tracker for review each week on Wednesdays going forward to allow extra review time, with the Friday 9:30am ET deadline for additions/edits remaining in place. Since I'm out of the office tomorrow, I'm sending it a day early (still due Friday morning).

As a reminder, I only need 1) the action or event and 2) the date it's happening in a reply to this email (or via Nancy). No need to populate the spreadsheet, but it's attached for your general awareness and planning purposes. Easy peasy!

Next week as it currently stands:
